Emeritus

December 2, 1999

Document Management Branch (HFA-305)  
Food & Drug Administration  
5630 Fishers Lane  
Room 1061  
Rockville, MD 20852

To Whom It May Concern:

**RE: DOCKET #97N-484S**

I understand there is some consideration of regulating the use of allograft as a medical device. I do not think that this would be in the best of interests of the patients who I treat. This would certainly put limitation on the supply and the use of bone products.

Sincerely,

KENNETH L. JAROLEM, M.D.
